

Dear Coach,

I would like to take this opportunity to invite you and your team to participate in our 16th annual **Blue Marlin Team Camp**. Every year our camp remains consistent in attracting high level competition from all across the state of Virginia. Our goal is to have you and your team have a great experience.

Virginia Wesleyan's academic and athletic reputation is a winning combination for potential student-athletes to spend four years. Our men's basketball program has been very fortunate to achieve unprecedented success. Our success can be directly attributed to your help in the recruiting process. Our roster is filled with players from all your programs. We appreciate all your help! The recruiting process is always about acquiring the right players and building relationships. Virginia continues to be our number one resource for landing elite student-athletes. Thank you for helping us achieve our goals! I can be reached at 757-455-3313 if you have any questions or concerns. We are looking forward to a great weekend of basketball. Go Marlins!

Thank you and I hope to see you this summer!

Sincerely,

David Macedo
